Physical Education and Health - Study.com

Physical education has been an institution in American schools since the late 19th century, and today almost all American children are exposed to physical education classes.

Bing: 21 May 2010 Physical Education

As a possible antidote to being trapped in the present tense, this paper draws on an analysis of the present and the past in order to consider the extent to which physical education in its current form may be fit for the 21st century. I argue that in order to secure middle to longer term futures for some form of physical education in schools, we need radical reform.
