Doctor Who: Autonomy book by Daniel Blythe

Daniel Blythe returns to doctor who after an absence of around a decade with this great little book. It features the healed 10th doctor (after the regeneration in journey's end) and brings back the autons. It's a very good story well written and entertaining. One of my favourites from the 10th doctor era.

Daniel Blythe (born 1969 in Maidstone) is a British author, who studied Modern Languages at St John's College, Oxford. After several years writing stories for the small press, Blythe began his professional career writing for the Virgin New Adventures series of Doctor Who novels, for which he wrote the novels The Dimension Riders (1993) and Infinite Requiem (1995) and very soon moved on to have his own original work published.
