Don't even think about it. I've read "Psycho-Cybernetics" by Maxwell Malt four times now. He was a plastic surgeon in the early part of the 20th century. The book is a look into Dr. Malt's theory that the self-image is the most important part of the personality and that the self-image can be changed.

Let me tell you, don't even think about it for as long as I still have my last breath. Déjame decirte algo, ni se te ocurra mientras yo viva. The " don't even think about it " group.

Keep the home fires burning? Don't even think about it

Don't Even Think About It argues that the answers to these questions do not lie in the things that make us different and drive us apart, but rather in what we all share: how our human brains are wired, our evolutionary origins, our perceptions of threats, our cognitive blindspots, our love of storytelling, our fear of death, and our deepest instincts to defend our family and tribe.

Mike Nolan reacts to being on Cowboys hot seat due to

Don't Even Think About It is a sprightly-written cornucopia of insight into the pitfalls and potential of communicating about climate change. Not as pessimistic as the title and subtitle might suggest, Marshall argues that we are both wired to ignore a problem like climate change (distant, abstract, without clear villains) and that we are wired to respond – capable of putting aside short-term self-interest for quite heroic collective efforts in the face of a shared problem or threat.

Don't even have to think about it by Dylan Wang ~ Piano

Don't even think about it (happening). Do not think about something like that happening, as the mere thought of it is so bad. (Compare this with Don't even think about (doing) it.) Mary: Oh, those cars almost crashed!
