Has Science Buried God? - The Aquila Report

Summary. Some commentators claim that science has finally killed the concept of God by virtue of its own all-encompassing explanations of reality. Atheism, they say, is the only intellectually tenable position, and any attempt to reintroduce God is likely to impede scientific progress. In this stimulating and thought-provoking book, with impeccable logic, irrefutable documentation, and extraordinary Christian grace, John Lennox invites us to reexamine such claims.
