### **Math Journal Template**

If you need a presentation for the classroom and you want to make it more interesting for your students, this math lesson plan template is for you. Education can be fun too, and that's why we've decided to use a colorful palette for the slides, including blue and cream. Illustrations usually have a good visual impact, so we've included some, but avoiding distractions is essential in a lesson, so we've made sure they don't draw the attention away from the actual information.
